Technical Standard(s) used for Compliance Evaluation:	Test Result	
	Pass	**Fail**
GLI-19 : Interactive Gaming Systems Version 2.0 (February 15, 2013)	√	

2. PURPOSE

Gameplay Interactive Limited has requested BMM to evaluate their online Super Keno software for satisfactory operation against GLI-19, version 2.0 standards.

The purpose of this report is to set out the findings of BMM's evaluation, and to provide a recommendation for Gameplay Interactive Limited's Super Keno game software.

3. GAME CHARACTERISTICS

Super Keno is a Keno game based on random draw of twenty (20) numbered balls from eighty (80) balls ranging from one (1) to eighty (80). Each game period is for sixty (60) seconds with the first fifty-five (55) seconds as the 'Betting Period' and the last five (5) seconds as the 'Stop Bet Period'. Detailed game rules are stated in Super Keno manual (PDF format) under 'Rule' menu.

Super Keno:

During 'Betting Period', player can place bet(s) on one or more of the following bet areas shown below:

Bet Area	Description
Pearl Ball	Results are based on the drawn numbers.
Big / Small	Results are based on the **sum** of drawn numbers.
Up / Down	Results are based on the **range** of drawn numbers.
Odds / Evens	Results are based on the **parity** of drawn numbers.
Odd / Even	Results are based on the **parity of the sum** of drawn numbers.
Parlay	Results are based on the **combination** of different bet types.
Five Elements	Results are based on the **range of the sum** of drawn numbers.

Figure 1 below illustrates the bet area on player's screen:

Figure 1: Bet Area

Quick pick feature is available that allows the system to randomly choose one (1) to five (5) ball(s) based on player selection. All wins are paid according to the pay table as shown below:

4. BMM EVALUATION PERFORMED

BMM has tested and confirmed compliance of the Super Keno game software against the relevant technical requirements in GLI-19: Interactive Gaming Systems Version 2.0 (February 15, 2013). BMM performed the following tests to confirm compliance to the relevant regulatory requirements:

4.1 SOFTWARE EVALUATION

Ensure that software meets all the relevant requirements specified in GLI-19: Interactive Gaming Systems Version 2.0 (February 15, 2013). BMM performed this by evaluating all the game source code.

bmm testlabs

4.2 ARTWORK EVALUATION

Artwork was evaluated to ensure that it correctly explains the game rules and payouts as specified in the technical documentation supplied by the manufacturer and that it conforms to the requirements of GLI-19: Interactive Gaming Systems Version 2.0 (February 15, 2013).

4.3 MATHEMATICAL EVALUATION

Verification of the theoretical return of the game is as specified in the technical documentation supplied by the manufacturer and complies with the relevant rules as specified by GLI-19: Interactive Gaming Systems Version 2.0 (February 15, 2013) requirements.

4.4 PAYOUT TESTING

Payout testing was conducted by simulating all winning outcomes of the game to ensure that the correct amount of credits is awarded for all winning outcomes as reflected on artwork, pay-table, source code and the technical documentation supplied by the manufacturer.

4.5 REGRESSION TESTING

BMM conducted a complete range of functional tests of this new game. Testing was conducted in accordance with the test plans using relevant checklists to confirm the game's performance to a wide range of functions and failures.

4.6 COMPLIANCE TESTING

Perform all tests necessary to confirm that the game complies with all the relevant requirements specified in "Section 3: Game Requirements".

5. RECOMMENDATION

BMM has tested and confirmed compliance of Super Keno game software against "Section 3: Game Requirements" of GLI-19: Interactive Gaming Systems Version 2.0 (February 15, 2013), subject to secure installation on the production system and information specified in section 6 of this report.

BMM therefore, recommends approval of Gameplay Interactive Limited's Super Keno game software.

Please refers to Appendix 1 for details of the software used for this evaluation.
